

## **Facility Committee Minutes**

**1/20/2026**

**6:00PM – HS Library Conference Room**

**Present:** Floyd Swales, Brian Shearer, Chris Downey, Craig Dudek (6:15pm)

**Others Present:** Dr. Stamm, Heather Burke, Bryan McCaffery, Rikki Riegner

### **The following projects items reviewed/discussed:**

#### **Facilities Repairs-Review**

Mr. McCaffery reviewed a list of facilities repairs and improvements from 2023 to present with the committee.

#### **Future Needs for Consideration**

Dr. Stamm shared that he and Mr. McCaffery will work on future capital improvements for consideration.

#### **Public School Facilities Improvement Grant**

Dr. Stamm gave an overview of a potential grant opportunity for future projects.

He will begin working on the grant application and gather estimates for potential projects.

#### **HHS Parking Lot Repair/Replacement Options**

The committee discussed the needed parking lot repairs. Although milling and paving will be the most expensive, it is the most logical and best long term option. Mr. McCaffery will obtain quotes from area engineers to draft/provide bid specifications.

#### **Board Facility Tours**

Dr. Stamm shared that facility tours will begin next month for any board members who are interested.

#### **Current Staffing / Needs**

Dr. Stamm shared that staffing continues to be a challenge, especially for the two vacant maintenance positions.

#### **Professional Services and Repairs**

Dr. Stamm and Mr. McCaffery shared that due to staffing constraints there have been more expenses for professional services and repairs.

#### **New Building for Athletics**

Brian Shearer expressed interest in creating more space for athletics, including a large facility with at least two gyms.
