East Lycoming School District
349 Cemetery Street
Hughesville, PA 17737

Attention: Mr. Craig Dudek, Board President

Board members,

Please accept this letter of interest for the Interim Superintendent position with the East Lycoming School District. I recently retired from the Loyalsock School District where I served as Business Manager from November 2000 to April 2014 and served as Superintendent of Schools from April 2014 to September 30, 2025.

With over 11 years of service as Superintendent, I feel that I would be able to make a positive impact on the district during a time where you need stability during your transition. Having served as both a Business Manager and Superintendent, I feel confident that I can gain an understanding of your operations as well as our educational programs in a brief period. I have a proven history of success built on hard work and dedication to the profession.

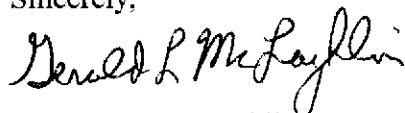

Serving East Lycoming School District will be my number one priority. While there is not a lot of time left in the school year, you have some major events that take place during the last month of school as well as a great deal of planning for the upcoming school year. Obviously, I would like to meet with the entire board to gain an understanding of your expectations during the time I serve as Interim Superintendent.

All my clearances are up to date, and my Superintendent Commission is valid. When you retire or leave a school district, your commission is no longer valid there. If selected as Interim Superintendent, a letter would be submitted to the Pennsylvania Department of Education. This would allow me to be commissioned at East Lycoming School District Interim Superintendent. I have attached copies of all clearances and commission eligibility.

My daily contracted rate for the Interim Superintendent position would be \$500 per day. This is a reasonable proposal based on my qualifications and experience. I have provided some estimated calculations on a separate sheet of paper below. I would be responsible for my own taxes and would invoice the East Lycoming School District monthly. I will also plan to keep a log of my activities and would share with the Board with bi-weekly updates.

If you have any questions or concerns, I can be contacted via cell phone on 570-419-6632. I look forward to hearing from you and will be more than happy to meet with the Board to further discuss this opportunity.

Sincerely,

Gerald L. McLaughlin
