

Facility Committee Minutes
05/21/2024
6:00PM - HHS Library Conference Room

Construction Schedules-tentative

- a. Ashkar – McClure June 7th-August 9th
- b. HHS / DO – T-Ross Brothers June 10th-August 5th
- c. District Masonry – Arch Starting June 10th and may be starting first at Renn

Renn Bid Results- Pine Mountain won the bid for the water mitigation project at Renn totaling \$42,250. The work is set to begin on June 10th and should be completed the second week of July.

HHS Water Mitigation Update - The water channel is the responsibility of the Army Corp of Engineers, the remainder is DEP. Larson Design Group is working with DEP, design phase is expected to last 6 weeks. Box culverts will replace the bridges that the district utilizes.

Playgrounds – The committee discussed the need for the replacement of the playgrounds at both Renn and Ashkar, as well as the timing. Until further investigation of the water mitigation is done at Ashkar they were not comfortable installing playground equipment. Dr. Stamm will be working with the playground company on ordering/installation timing pending board approval later tonight.
