

## **Facility Committee Agenda**

**May 20, 2025**

**6:00PM - HHS Library Conference Room**

### **2025-2026 Capital Projects Proposed Items - General Fund**

Dr. Stamm reviewed the proposed facility improvements proposed by Mr. McCaffery, Mr. Creasy, and Dr. Rodkey for the 2025-26 fiscal year. These projects are ongoing and necessary repairs to district facilities that will be funded by the annual capital improvements line item for \$275,000.

### **Renn / Ferrell DEP Water Purification Report**

Mr. McCaffery updated the committee on a DEP report that is requiring corrective action at both Renn and Ferrell Elementary Schools before the 2025-26 school term begins. The corrective action will involve the installation of wellhead repairs and installation of a new filtration system.

### **Capital Projects Tracking Sheeting - Bond Fund**

Dr. Stamm reviewed the project list and costs for projects covered by the bond fund.

### **Existing Project Updates**

Dr. Stamm provided the committee with an update on the existing projects currently underway including the Ashkar Playground, Cafeteria Expansion, and Athletic surfaces refinishing.
